IMPACT: State & Local

Summary of Legislation: This bill provides that retailer's permits issued to proprietors of restaurants located on the National Register of Historic Places or in a historical district are not subject to quotas on the issuance of permits. The bill also makes a technical correction.

Effective Date: July 1, 2001.

Explanation of State Expenditures:

Explanation of State Revenues: If the removal of the quota provision causes more permits to be issued to restaurants in the affected historical areas, permit fee revenue to the Alcoholic Beverage Commission's Excise Fund would increase slightly. One-third of the revenue deposited into the Excise Fund from permit fees is distributed to the state General Fund.

Explanation of Local Expenditures:

Explanation of Local Revenues: If more permits are issued, the city or town and the county in which the establishment is located would receive a slight increase in permit fee revenue, as distributed through the Excise Fund. Two-thirds of the Excise Fund revenue from permit fees is distributed to the general fund of cities, towns, and counties based on where the permittee is located.

State Agencies Affected: Alcoholic Beverage Commission.

Local Agencies Affected: Counties, cities, and towns.
